

## **FBI \*\*TRAINING ANNOUNCEMENT\*\* FBI**

### **FBI BEHAVIORAL ANALYSIS UNIT 3-DAY CONFERENCE**

**WHAT:** FBI Behavioral Analysis Units (BAU's) provide case-specific, behavioral-based investigative support to federal, state, local and international law enforcement agencies, through the process of criminal investigative analysis. In critical incidents, they can provide behavioral assessments and analyses to hostage negotiators, tactical personnel, and executive management.

This is a 3-day training conference that is facilitated by BAU. It will focus on both Violent Crime and Terrorism investigation behavioral assessments. Topics will include behavior-based interview techniques utilizing case studies for these topics, among many other specialties topics.

**Who:** This training is meant for sworn law enforcement, as well as law enforcement personnel/employees who assist with investigations.

**Cost:** There is NO fee for this course.

**Dates:** Wednesday, May 30<sup>th</sup> through Friday, June 1<sup>st</sup>, 2018 from 8:00am – 5:00pm

**Host:** FBI Cincinnati Division and the FBI Behavioral Analysis Unit, Quantico, VA

**Where:** Columbus Police Academy (Auditorium)

1000 North Hague Ave.

Columbus, Ohio

**Contact:** For questions, please email Special Agent Kris Cadieux at [klcadieux@fbi.gov](mailto:klcadieux@fbi.gov).
